The aggregate shareholding of the shareholders present in person or proxy constituted a quorum. The Chairman called the meeting to order.

1. Report Items

(1) Business Report for the Year 2021

Explanatory Notes: Please refer to Attachment 1.

(2) Audit Committee's Review Report

Explanatory Notes: Please refer to Attachment 2.

(3) To Report on the Distribution of Cash Dividend and the Execution of Employees' Profit Sharing Bonus and Board Directors' Compensation for the Year 2021 Explanatory Notes:

- a. Distribution of Cash Dividend:
 - i. Pursuant to Article 24 of the Article of Incorporation, the distributable dividends and bonuses in whole or in part will be paid in cash by this Company after a resolution has been adopted by a majority vote at a meeting of the Board of Directors attended by two-thirds of the total number of directors; and in addition thereto a report of such distribution shall be submitted to the Shareholders' Meeting.
 - ii. Cash dividend distribution for 2021 has been approved by the Board of Directors on February 25, 2022, according to which the Company will distribute the cash dividend of NT\$63,786,964 to the Shareholders whose names and respective shares are in these

- Shareholders' register on the ex-dividend record date, at a preliminary ratio of NT\$3.7 per share. Rounded down to NT\$1 and the residue will be calculated and booked as the Company's other income.
- iii. Prior to the ex-dividend date for the distribution, should the cash distribution ratio require any adjustment due to amendment of laws or regulations, request by competent authorities, or any change of the numbers of the issued and outstanding shares, it is to authorize the Chairman with full power to adjust the distribution ratio.
- iv. The record date for ex-dividend is temporarily set on June 4, 2022, and the distribution date is set on July 1, 2022. Should the dates above be adjusted due to the amendment of laws or regulations, or request by competent authorities, the Chairman is authorized with full power to adjust accordingly.
- b. Execution of Employees' Profit Sharing Bonus and Board Directors' Compensation:
 - i. The Board of Directors approved the proposal of employees' 2021 profit sharing bonus and Board Directors' compensation on February 25, 2022.
 - The employees' profit sharing bonus and Board Directors' compensation are to be distributed in cash.
 - ii. The total amount of employees' 2021 profit sharing bonus is NT\$10,500,000.
 - iii. The total amount of Board Directors' 2021 compensation is NT\$0.

2. Election Item

Proposal: To Elect Seven Directors (Including Four Independent Directors) of the Company. (Proposed by the Board of Directors)

Explanatory Notes:

- (1) Since the tenure of all current directors of the Company (including independent directors) had expired in December 2021, it is to re-elect all directors (including three ordinary directors and four independent directors) at the General Shareholders' Meeting this year in accordance with the Company's Articles of Incorporation. The tenure of directors to be elected shall commence on May 27, 2022 for three-year term (estimated to expire on the date of 2025 Shareholders' general meeting for re-election) and are eligible for re-election. The Audit Committee will be constituted by all the independent directors, and the Remuneration Committee will be constituted by three or more independent directors.
- (2) The candidate nomination system is adopted in accordance with the Articles of Incorporation of the Company. For the list of candidates for directors (including independent directors) nominated by the Board of Directors, please refer to Attachment 3.

Voting Result:

Elected	Name	Votes
Director	Acer Inc. Legal Representative: Maverick Shih	16,848,802
Director	Acer Inc. Legal Representative: Tiffany Huang	10,020,616
Director	Acer Inc. Legal Representative: Meggy Chen	10,020,616
Independent Director	Chie-Shiang Tong (aka: Sophia Tong)	10,022,253
Independent Director	Grace Lung	10,077,794
Independent Director	Dung-Chun Tsai	10,016,772
Independent Director	Jih-Chu Lee	10,078,799

3. Proposed Items for Ratification and Discussion

Item 1

Proposal: Ratification Proposal of the Financial Statements and Business Report for the Year 2021. (Proposed by the Board of Directors)

Explanatory Notes:

- (1) The Company's Financial Statements for the year 2021, including Balance Sheets, Statements of Comprehensive Income, Statements of Changes in Equity and Statements of Cash Flow, have been audited by CPA Ching-Wen Kao and CPA Wei- Ming Shih of KPMG.
- (2) The Business Report for the year 2021 and the aforementioned Financial Statements are attached hereto as Attachment 1 and Attachment 4, which have been approved by the Audit Committee and by the Board of Directors via resolution.
- (3) Please discuss.

Resolution:

4. Extemporary Motion: None

5. Meeting Adjourned: 9:28 am

Business Report

Dear Shareholders,

Acer Cyber Security Inc. (hereinafter referred to as "ACSI") is the first cyber security service company in Taiwan listed on the over-the-counter (OTC) market on October 30, 2019, with the stock code of 6690. While the impact of the COVID-19 pandemic remained intense in 2021 and the Level 3 COVID-19 Alert was announced in May, 2021, cyber security incidents occurred frequently. Several companies were reported to have been hacked for ransom. The impact from both aspects made ACSI's deployment of service personnel doubly difficult. Although part of our service models were adjusted to be performed remotely or via video conference, we still managed to complete the acceptance of project services successfully under the premise of both completing tasks and protecting our colleagues. Our overall revenue and profit remained positive in 2021, and the consolidated revenue reached NT\$852 million for the year, which increased by 6% compared to the revenue of the previous year, 2020.

In 2021, ACSI won the bids of the 2021-2024 Information Security Professional Service Project of the Taipei City Government and the Integrated Security Operation Center Establishment Project of the Fiscal Information Agency, Ministry of Finance, with the total contract amount of nearly NT\$200 million. ACSI defeated the original operators for central and local tax services and acquired the equipment monitoring and information security services of a larger scale to achieve the consistency of monitoring and the effectiveness of incident response. The establishment of ACSI Cyber Security Academy, a subsidiary of ACSI was officially approved in August, 2021. ACSI has expanded its business to include the training of information security professionals, providing not only relevant professional information security technical courses, but also information security governance courses for senior executives. The most significant event was that ACSI's Board of Directors approved the proposed acquisition of 100% equity interest in Acer e-Enabling Data Center Inc. in November, 2021. Looking at the trend of building cloud infrastructure instead of conventional infrastructure, ACSI must consider the integrated services ranging from information security to cloud architecture planning. The acquisition of 100% equity interest will facilitate the growth of ACSI's overall revenue and the complement of both sides' technical staff, providing a more solid foundation for the sustainable development of its information security services. The equity acquisition had completed by January 2022 as expected for the following acquisition of management rights.

In terms of expanding the provision of services for different industries, the projects related to the financial industry had the largest revenue growth of 63%, which was in line with the specific goals of the action plan of the Financial Supervisory Commission (hereinafter referred to as the "FSC") to strengthen information security in the financial industry as previously estimated. In addition, from the existing Operation Technology (OT) projects owned by ACSI and related to the ISAC (Information Sharing and Analysis) of energy, transportation, and water conservancy industries, ACSI has made progress and further obtained a three-year service project that comprises compliance, testing and OT

monitoring in the fields of cogeneration and harbors of a privatized energy company. As predicted, critical infrastructures related to energy is the most concerned part when considering the information security layout of OT by the government. In addition to the aforesaid significant achievements in the market and industrial deployments made all in accordance with the business plans which were set in 2021, a service adopting the new technology of Breach & Attack Simulation (BAS) in blue team exercises has been introduced into the 2021-2024 Information Security Professional Service Project of the Taipei City Government regarding the technical advantages presented by ACSI in information security services. Meanwhile, ACSI continues to integrate the Intelligent SOC 2.0 with the MITRE ATT&CK for attack step analysis to establish a complete information security incident notification mechanism. Further, An AI multi-dimensional analysis platform, the SOAR (security orchestration, automation, and response) platform, and the fast-screening tool for information security incident investigation were also developed by ACSI to accelerate the convergence with international standards. In terms of PT advanced red team exercises, ACSI has also acquired several projects for the technological deepening of service implementation to achieve actual value enhancement, which can inspire our technical team to further advance in the development of technology and to continuously exceed other competitors in the domestic information security service industry.

Looking ahead to 2022, the FSC has required financial institutions which meet certain criteria to have a Chief Information Security Officer (CISO) by the first quarter of 2022 in September, 2021. The FSC also announced in November, 2021 that exchange-listed and OTC-listed companies with capital of over NT\$10 billion must have a CISO, information security manager or information security personnel by the end of 2022. These regulations not only require enterprises to strengthen the monitoring of information security but also reveal the fact that there is a serious shortage of information security professionals. Therefore, financial enterprises, exchange-listed and OTC-listed companies must make good use of outside information security service providers to strengthen their information security defense, and their senior executives must strengthen their information security awareness and have correct concept of information security governance. The Colonial Pipeline ransomware attack occurred in the U.S. in May, 2021 also made governments face up to the urgency of critical infrastructures for people's daily lives, and the Department of Homeland Security has been establishing regulations for the critical infrastructures after the 911 attacks. The Taiwan government has been promoting the implementation and establishment of the ISAC information sharing platform since 2016 by listing 8 critical infrastructures, and it is also requesting private enterprises to effectively maintain the OT information security for their critical infrastructures currently. The expansion of market demand means that information security has become a necessary part of daily life for the government and enterprises to stabilize the country and people's livelihood. In 2022, ACSI also plans to extend the promotion of its information security services to a wider range of enterprises, so that business owners may have initial and advanced information security testing based on their

characteristics by industry and strengthen their internal information security defense abilities. Besides, we must establish a sales channel system to expand our business which is still based on 100% direct sales currently, so as to break the current relation in a geometric progression between linear investment and profit. With this new business scheme, ACSI may not only leverage its rich information security defense capability and management experience, but also increase the number of sales partners, expand the information security service ecosystem, and enhance the value of innovation in information security services. ACSI will become the most reliable partner for enterprises and move forward with the vision of being the best guardian of information security.

Audit Committee's Review Report

The Board of Directors has prepared the Company's 2021 Business Report, Financial Statements, and the Proposal for profit appropriation. The CPA Ching-Wen Kao and Wei-Ming Shih from KPMG were retained to audit ACSI's Financial Statements and have issued an audit report relating to the Financial Statements. The said Business Report, Financial Statements, and Proposal for profit appropriation have been reviewed and determined to be correct and accurate by the Audit Committee of ACSI in accordance with Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act, I hereby submit this Report.

Independent Auditors' Report

To the Board of Directors Acer Cyber Security Inc.:

Opinion

We have audited the consolidated financial statements of Acer Cyber Security Inc. and its subsidiaries ("the Group"), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, the consolidated statements of comprehensive income (loss), changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Company as of December 31, 2021 and 2020, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), Interpretations developed by the International Financial Reporting Interpretations Committee ("IFRIC") or the former Standing Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China..

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters for the Group's financial statements for the year ended December 31, 2021 are stated as follows:

1. Revenue recognition

Please refer to Note 4(n) for the accounting policies on recognizing revenue.

Description of key audit matter:

The Group engaged primarily in providing integrated cybersecurity service to enterprises. The identification of performance obligation(s) and the timing of revenue recognition (performance obligations satisfied over time or at a point in time) is subject to management's judgment, which increases the complexity of revenue recognition. Therefore, revenue recognition has been identified as our key audit matter.

How the matter was addressed in our audit:

In relation to the key audit matter above, we have performed certain audit procedures including, among others, testing the design and operating effectiveness of the Company's internal control over the service revenue recognition; assessing whether the accounting policies with respect to the identification of performance obligation(s) and timing of revenue recognition are appropriate; reviewing the contact term and other supporting documents of the selected samples to verify whether the timing and amount of revenue recognition is in accordance with related accounting policies. We also consider the adequacy of the disclosure on revenue from contracts with customers in the Note 6(o) of the accompanying consolidated financial statements.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including members of the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or aggregated, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the consolidated financial information of the investee companies accounted for using equity method to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Ching-Wen Kao and Wei-Ming Shih.

When Shareholders exercise		
voting rights by correspondence		
or electronic means, unless they		
have withdrawn the declaration		
of intent and attended the		
Shareholders Meeting online,		
except for extraordinary		
motions, they will not exercise		
voting rights on the original		
proposals or make any		
amendments to the original		
proposals or exercise voting		

After Revision	Before Revision	Reason for Revision
rights on amendments to the		
original proposal.		
On the day of a Shareholders		
Meeting, the Company shall		
compile in the prescribed		
format a statistical statement of		
the number of shares obtained		
by solicitors through		
solicitation, the number of		
shares represented by proxies		
and the number of shares		
represented by Shareholders		
attending the meeting by		
correspondence or electronic		
means, and shall make an		
express disclosure of the same		
at the place of the Shareholders		
Meeting. In the event a virtual		
Shareholders Meeting, the		
Company shall upload the above		
meeting materials to the virtual		
meeting platform at least 30		
minutes before the meeting		
starts, and keep this		
information disclosed until the		
end of the meeting.		
During the Company's virtual		
Shareholders Meeting, when the		
meeting is called to order, the		
<u>total number of shares</u>		
represented at the meeting shall		
be disclosed on the virtual		
meeting platform. The same		
shall apply whenever the total		
number of shares represented at		
the meeting and a new tally of		
votes is released during the		
meeting.
